## Cyclone KB4 Debris Blower

KB4 Skid Mounted

- CH740 (725cc) Kohler Command Engine
- Wireless Throttle and 360° Nozzle Control
- Aerospace Polymer Nozzle
- Official Debris Blower of the IHRA
- Preferred Track Blower of the NHRA
- Ability to Skid Mount
- DOT Trailer available
- Two Position Tongue

# BUFFALO TURBINE

WWW.BUFFALOTURBINE.COM

## MEGA Debris Blower

- Most Powerful Single Blower Debris Blower Available on the Market
- Powerful CH1000 (999cc) Kohler Engine
- Wireless Control
- Lowered Frame Design
- 12 Gallon Fuel Capacity
- Belt and Pulley Drive System
- High Speed, Heavy Duty Rotation Motor
- “Self-Contained, Bolt on”, Trailer Unit
- Easily Converts to a Skid Mount Unit
- **PROUDLY MADE IN THE USA**
